ABOUT OUR PTA

We are a registered charity our objective is to raise money for the school, by organising fundraising events and making them as much fun as possible. In doing so we can also give back to the students directly aswell as considering all school donation requests which are made to improve the children's learning. Every year we

- Supply year 6's with their leavers hoodies.
- Easter Fun and free treat.
- Contribute to the leavers party.
- Pay for Panto coaches.
- Supply Christmas cracker to have with their Christmas dinner.

Total - £2,373

well
done!

FURTHER INFORMATION

We are currently having a couple of charts being made that we will put outside Kingfisher class and reception to track our profits from events and work towards our target (donation request/s). We will also have our new PTA board that will be outside year 6 block, which will have more information on about previous and upcoming events.

We are always trying to improve our fundraising efforts, whether that's for our annual events or thinking of new event ideas. Please let us know your suggestions. Lastly and most importantly thank you for your continued support, we can not run events without your help.

Thank You

CURRENT SCHOOL REQUESTS

- 24 Computers need replacing as they will not be compatible with Windows 11. The school have got some money to put towards it, awaiting for request to be costed.
- Cookery Set cost is £548.39 going to source cheaper from local shops.
