Hello

We have been told you are starting school in September! Our names are Bumble and Spot -can you guess who is Bumble and who is Spot? We are your class cuddles. Our job is to make sure everyone in Early Years is feeling happy. When you come into your classroom each day you will find us at the front of the room so you can come and give us a cuddle if you want to. We do like cuddles!

We also like going on exciting adventures with our friends in Early Years, wonder what we will do together?

Have you been counting how many more sleeps until you start school?

Anyway, we must go and help Mrs Moody get the classroom ready!

We are so excited about meeting you, Mrs Moody has told us all about you.

See you soon. Love from

Bumble and Spot xx
