School Value - Determination

DEAR FAMILIES,

World Book Day

The children all looked fabulous in their different book character costumes, enjoying a day of celebrating everything book related! Thank you to Mrs LM for organising the visit of Sam Scott to speak to the children in KS2 about her life as an author and share her third book in the Sophie's Spirit series. Thank you also to the parents/carers who came in to read with the children in EYFS and KS1 this week, promoting our reading for pleasure measure to all.

SPORTING NEWS

This week we attended two county finals with our year 5 and 6, one in sitting volley ball and the other in Small schools Sports-hall athletics. All who attended did Maylandsea proud, a great experience to compete against the top schools in our county. Well done! And finally, on Thursday we had a number of children at the partnership cross country final, again all doing the school and themselves proud. Some fantastic running and perseverance! A huge congratulations to Annabelle in year 3 for coming first by quite a way in her race meaning that she has made it through to the county final! In fact our year 3 girls as a team were all super and as a team they also came first, therefore they have made it through to the finals too! Well done girls!

School Council

The school council are delighted at the lovely board games that have been kindly donated to the school. If anyone has any more at home they will be gratefully received, Before Easter, the school council will distribute the games to all of the classes to keep children occupied during wet play.

HAPPY MOTHER'S DAY

Thank you to the Friends of Maylandsea PTA for holding their mother's day stall on Thursday. Another huge success. It was lovely to see so many of you for the mother's day lunches this week. This will continue into next week. Huge thanks to Mrs Taylor and her team for cooking all the meals and to Mrs Alabaster for coordinating the lunches. Wishing all our mums a wonderful Mother's day on Sunday!
